

# ANESTHESIA CAMP 2012 *Laguna Beach*

## REGISTRATION

Register online at:

[www.destinationCME.com/Registration.html](http://www.destinationCME.com/Registration.html)

If you prefer to register by fax or mail, please complete and return the enclosed registration form.

The course fee is **\$899** for physicians and nurse anesthetists, and includes CME/CE certification, conference syllabus, continental breakfasts and refreshment breaks. \$100 will be retained to cover administrative expenses should you cancel your registration. There will be no refunds after **August 20, 2012**.

## ACCOMMODATIONS

Striking turn-of-the-century architecture, pristine white sand beaches, and the historic and artistic charm of a quiet seaside village all converge at **Montage Resort & Spa** – the beachfront luxury resort in Laguna Beach with heart-stopping panoramas of the Pacific Ocean.

Inspired by the breathtaking physical surroundings and the enduring creative spirit of the artists who settled in Laguna Beach nearly a century ago, this coastal destination features distinctive wood and stone craftsman-style architecture, complimented by lush, indigenous landscaping.

We have reserved a block of rooms exclusively for registrants, at the rate of **\$395** per night, which is applicable three days before and three days after the meeting, subject to availability. You must register and pay for the conference in order to receive the special group rate.

Reservation instructions will be provided in your registration confirmation. *Please book your reservation early as the room block is likely to sell out before the deadline.*

## GETTING THERE

Montage Resort & Spa is just 30 minutes from **John Wayne/Orange County Airport (SNA)** and 60 minutes from both **Los Angeles (LAX)** and **San Diego (SAN)** International Airports.

### STATEMENT OF NEED

This activity is designed to educate clinicians about non-narcotic analgesia, including regional anesthesia, NSAIDs, GABAergic drugs, alpha2 agonists, and others; about risks and benefits of transfusion, newly proposed algorithms, and recent research suggesting lower transfusion triggers in targets in different surgical populations; and meet the needs of many clinicians who do pediatric anesthesia infrequently. While some advocate regionalization and subspecialization, the reality is that many clinicians, particularly in rural areas, must care for these children.

### TARGET AUDIENCE

Anesthesiologists, hospitalists, intensivists, pain management physicians; CRNAs.

### DISCLOSURE

The Duke University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

### RESOLUTION OF CONFLICTS OF INTEREST

In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

### LEARNING OBJECTIVES

Upon completion of this educational activity, participants should be able to:

- Provide patients with multimodal analgesia. Reduce acute pain. Reduce chronic postop pain.

- Treat anemia and/or hypovolemia. Diagnose and treat coagulopathies.
- Manage pediatric patients so as to maintain optimal airway patency and respiration.
- Avoid hypercarbia, hypoxia, and pulmonary hypertension, especially in those with sleep apnea and/or heart disease.

### CREDIT

The Duke University School of Medicine designates this educational activity for a maximum of 16.5 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Approved by the American Association of Nurse Anesthetists for 17 CE Credits; Code Number 1026433, Expiration Date September 22, 2012.

### ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Duke University School of Medicine and destinationCME. The Duke University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

### DISCLAIMER

The information provided at this CME/CE activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition.
